Odyssey is our ongoing ministry to Elementary-aged children and their families. Most Sundays, other than the 1st Sunday of each month, an amazing group of adults and student discipleship leaders minister to the elementary-aged children at Riverside. **For the summer Odyssey will only meet during 11am Worship Gatherings.**

Camp in the City is an amazing Day Camp right here at Riverside. Pine Cove invades the Riverside campus as we partner together to provide a great opportunity for families in the area. Registration is filling up and ends June 5th, see the website for more information.

6th Grade Trip is a special way to help incoming 6th graders transition into the the Tribe Student Ministry. It is a full day of fun and connection ending with them attending their first student ministry gathering that evening. Register online, on the children's page.

River Baptism is a day out at the river complete with great food, family fun, and of course baptisms. Please see the website for more info and reach out to Jason Carlettini if you have interest in baptism.
